#### Description:

Rare map of Rhode Island, hand colored by counties and showing townships.

Shows towns, roads, lakes, rivers, mills, political boundaries, and other features. Detailed treatment of the islands of the coast and compass rose.

Block Island is shown in fine detail.

Striking example of Fielding Lucas' fine work, which distinguished him as the best publisher of the era. Lucas' maps are highly desirable and increasingly scarce. His maps are printed on a higher quality paper than contemporary maps by Carey & Lea and demonstrate a superior engraving quality and more attractive coloring style.
