#### Description:

##### *One of the Earliest Obtainable Maps of Ohio*

Fine example of this rare map of Ohio, hand colored by counties, published by Fielding Lucas Jr. of Baltimore.

The map shows early roads with distances, towns, rivers, etc.

A nice example of Fielding Lucas' fine work, which distinguished him as the best publisher of the era. Lucas's maps are highly desirable and increasingly scarce. His maps are printed on a higher quality paper than contemporary maps by Carey & Lea and demonstrate a superior engraving quality and more attractive coloring style.
