**Description:**

Rare 18th Century harbor plan of the A Coruña Bay on the Galician Coastline of Spain.

The map was prepared under the direction of the French Depot de la Marine, showing soundings, coastal features, towns, anchorages, the primary channel through A Coruña Bay from A Coruña to Ferrol, the fortified harbors and other details.

The map is very rare on the market, this being the second example we have offered for sale in over 20 years.
