Highly detailed map of Texas, the Plains and Southern States.

Fullarton's *Royal Illustrated Atlas*, the last highly decorative atlas published in England. Beautifully engraved and colored with a mixture of printed color and hand color. Swanston, Petermann, Bartholomew, Macnab and Johnson engraved the maps. The maps bear a superficial resemblance to Keith Johnston's Royal Atlas.

Fullarton frequently gives the sources for his maps - for the United States maps he gives Calvin Smith and Tanner as sources.
