Description:

Fine Large Format Chart of Cuba By France's Royal Hydrographer

Superb, large sea chart covering all of Cuba with the Florida Keys and the southern Bahamas from Bimini eastward, published in Paris for the Depot de la Marine, by Jacques Nicolas Bellin.

Bellin's sea chart is filled with topographical information, towns, roads, and forts. The hydrographical information includes inlets, soundings, anchorages, routes of navigation, shoals and navigational hazards. The large title cartouche features a serpent and a fierce crocodile.

This important sea chart was reproduced on a 1973 Cuban postage stamp.
