Size: 11.5 x 8 inches
Price: SOLD

Description:

Detailed map of Swabia, oriented with South at the top.

Cities shown include Augsburg, Stuttgart, and the Bodensee.

Includes the coast of arms of Werttemberg.

The present map was produced by two of the primary Cologne School mapmakers, Johann Bussemacher and Matthias Quad. The Cologne School of cartography, was perhaps the only group of mapmakers competing with the Low Countries-based map publishing houses at the end of the 16th century (De Jode and Ortelius). For more on the Cologne School, see: Meurer, *Atlantes Colonienses. Die Kolner Schule der Atlas Kartographie 1570-1610*.
