Description:

Rare advertising pamphlet promoting Western Air Express's air passenger service from San Francisco to Los Angeles.

Includes a striking pictorial map of California, in the signature style of Ruth Taylor White.

At the top right is a photograph of one of the planes flying the route. A second pictorial map of the United States illustrates the outer covers.

The text below the map provides:

Established and operated to meet requirements of the Daniel Guggenheim Fund for Promotion of Aeronautics, the San Francisco-Los Angeles Line of the Western Air Express has been the model passenger air line of the world.
