Description:

This map, primarily highlighting the Meuse or Maas River, extends its coverage to include parts of the the Rhine, Moselle, Main, and Neckar rivers, as they traverse through Northeastern France, central western Germany, an parts of the Netherlands, Belgium and Luxembourg.

The map's detailed depiction of these river systems and adjacent territories provides not only geographical information but also historical insights into the strategic importance of these regions. The inclusion of the Meuse River, for instance, points to its historical significance as a boundary and a route for trade and
