Description:

Wonderful map of Oregon and Washington Territories, each extending to the Rocky Mountains. Only three counties shown east of the Cascades, Walla Walla and Skamania in Washington and Wascopen in Oregon. A marvelous early detailed map, showing early explorers' routes, forts, Indian Tribes, rivers, mountains, lakes, etc. The region between the Rockies and the Cascades is still largely unexplored. The proposed Northwestern Transcontinental Railroad Route is shown. To the east of the Rocky Mountains, Nebraska Territory is shown extending to Canada. An excellent example of this wonderful early map. A flawless, wide margined example.
