Description:

Striking map of India and Sri Lanka, extending from the Bay of Bengal and the mouth of the Ganges to Guzerat, and including a detailed treatment of the Maldives and Sri Lanka.

One of the most influential Sea Charts of India in the mid 18th Century.

Bellin was the chief Hydrographer of the French Depot De La Marine for a significant period of time in the mid-18th Century. Under his direction, the Depot De La Marine systematically mapped the coastlines of the world with more precision and accuracy than the contemporary English and Dutch chart makers of the time period.
