**Date:** 1845  
**Place:** Hildburghausen  
**Color:** Outline Color  
**Condition:** VG+  
**Size:** 12 x 15 inches  
**Price:** SOLD

### Description:

Elegantly engraved and detailed map of Ohio, with an inset map of Cincinnati and profiles of the Ohio Canals, taken based upon Tanner's work in the early 1840s.

Shows counties, towns, roads, canals, lakes, etc. While often referred to as the German Mitchell, this characterization is unfair, as the work appears to be a collaborative effort which predates the sale of Tanner's plates to SA Mitchell.

### Detailed Condition:
