**Size:** 8 x 10 inches  
**Price:** \$345.00

### Description:

#### *The West at the Time of the Louisiana Purchase*

Detailed map of Mexico and the American West, published in Paris.

The map shows the limits of the United States at the Mississippi River, with Louisiana shown to the west, albeit somewhat vaguely.

The configuration of the Rocky Mountains suggests that it was published prior to Humboldt.

Excellent early detailed in California and along the Rio Grande River.
