Description:

Second State of Du Val's Map of the Antarctic.

Rare map of the Southern Hemisphere, illustrating the known and imagined lands of the Antarctic Regions.

The map provides a fine accounting of the lands of the South Polar regions, some of which were fictional.

The map includes outlines of Antarctic continent as well as showing the Dutch discoveries in Australia and New Zealand.

This rare second state includes an expanded title, adding the words "dites autrement Australes et Inconnues." The second state also adds a number of place names not on the first map, including:

- C de Bonne Esperance
- Madagascar
- Iava
- Sumatra
