### Description:

Attractive view of the Spanish stronghold of Acapulco, showing fortifications, outlying buildings, ships in the harbor, costumed locals, etc.

Acapulco was one of the most important ports on the Pacific Coast of Mexico and major port in the Manilla Galleon Trade.

From the 1671 edition of John Ogilby's *America*, one of the most influential works of the 17th Century. Two small spots, but generally a fine wide margined example.

### Detailed Condition:

Minor soiling.
