### Description:

Decorative map of North and South America.

Shows the Parts Undiscovered in the Northwestern part of North America, locating the supposed Straits of Anian, Cape Mendocino, New Albion, Drake's Port, Monterrey, and the Channel Islands, but not San Diego or San Francisco.

The map shows the trade winds on either side of the equator, within the tropical zones. The map includes several apocryphal islands discovered by Quiros (1605) and "An Englishman" in 1636.
