#### **Description:**

Rare map of New England, engraved by Richard Seale in London, in 1756.

McCorckle notes the source as A New And Complete History Of The British Empire In America.

The map iillustrates a line running across New York, New Hampshire and Vermont described as "The French Claim all Northwest of this Line."

A section east of the Connecticut River is called "Barrier against the Indians."

The St. Lawrence River is referenced as the Extent of ye French Settlements in 1754.

#### **Rarity**

This is the first time we have ever seen the map offered for sale.
