### Description:

Nice dark impression of Mathew Carey's map of Delaware, the first map of Delaware to appear in an American published Atlas.

Carey published his *American Atlas* in 1795, which became the first folio atlas published in America. He issued later General Atlases in 1796 and after. In 1814, he became the first American publisher to offer hand colored maps in an printed Atlas. The map was engraved by William Barker of Philadelphia.
