Price: SOLD

Description:

The mineral resources of The Philippine Islands for the years 1926 to 1933.

Prepared by the division of mines Bureau of Science. 1936. Manila. Bureau of Printing. 4to. 167 pp., plus 4 large folding maps and folding tables. Original printed wrappers, excellent condition.

The official publication of year 1936, covering about 10 years of findings, research and data, very rare, according to Worldcat only one other copy is known. The folding maps are: Economic map of the Philippine Islands (2 copies), Topography of the Benguet sub province, and Index map of Mineral claims in the Province of Benguet Mountain province Island of Luzon. The Economic map is particularly interesting
