### Description:

Superb color-printed view of Luxembourg City, with the monuments and landmarks of the city rendered pictorially.

The map differentiates between parks, rivers, and built areas with green, orange, and blue, and the visual effect is quite pleasing.

This is the 5th edition, dated 1936 on the pamphlet. The pamphlet serves as an extended key.

### Detailed Condition:

Old folds, flattened. Some old ink graffiti on the back of the wrappers, which are somewhat worn.
