Color: Uncolored
Condition: VG
Size: 19.2 x 13.9 inches
Price: SOLD

Description:

Rare Early Lafreri School Map of Hungary, Austria and the Balkans Region

Nice example of Paolo Forlani's rare map of Austria, Hungary, Transylvania and adjacent regions.

The map depicts the military activities in the region, between the Austro-Hungarian forces commanded by Maximilian II of Augsburg and the Turkish forces under the command of the sultan Suleiman the Magnificent, which ended with the siege of Szigetvár (September 8, 1566).

The map is derived from Giacomo Gastaldi's "Il disegno particolare delle Regioni che sono da Costantinopoli, a Venetia, da Venetia a Viena et da Viena a costantinopoli" by Giacomo Gastaldi (1559, see Bifulco-Ronca, No. 228).

Signed by Paolo Forlani, the map is copied directly from the map of Domenico Zenoi (Bifulco-Ronca No. 490), also issued in 1566.

Rarity

The map is extremely rare on the market and known in a single edition.

Detailed Condition:

Discoloration at centerfold.
