Revised edition of Emily Eaton's plan of Warren, Maine originally published in 1851 by B.W. Thayer & Co. in Boston.

Emily Eaton was almost certainly one of the first women in America to create a town plan. This revised edition by L.E. Eaton does not include printer's information.

Emily Eaton and her husband Cyrus Eaton were early historians, having written *Annals of the Town of Warren, In Knox County, Maine . . . in 1877*.
