Description:

Rare promotional plan of Taylors Astoria subdivision, published in Portland in 1891.

Taylors Astoria is situated on the Columbia River at Young's Bay, just east of Fort Stevens and the Astoria Lighthouse.

The map inset shows that a proposed rail link via the Astoria and South Coast Railway was anticipated.

The printing on the verso is unfortunately obscured by the linen, but the linen would seem to be removable.

Detailed Condition:

Laid on archival poster linen, with some restoration.
