Description:

Rare two-sheet map of Asia originally engraved by Charles Price.

The present example is later state, bearing the imprint of George Wildey and Timothy Brandeth.

Wildey acquired the Price's stock in 1713, at which time he added his the Wildey and Brandeth imprint. The partnership dissolved quickly, and maps with this imprint are very rare on the market.

The map is very rare on the market. We are aware of several variants, one advertising for Willdey's Great Toy Shop and another with a dedication by Charles Price to John Poulett, who was Lord Steward between 1711-1714.
