### Description:

***Antique Map of Part of the Upper East Side, on the same sheet as a map of part of Greenwich Village.***

Hand-colored lithographed map of part of Harlem, New York City, published by Spielmann & Brush in their very rare atlas *Certified Copies of Original Maps of Property in New York City* (1881). The last copy of that atlas was on the market with a New York City bookdealer for \$12,500.

The map shows old farm plots and roads, as well as modern streets and lots; the map shows the UES between 74th street and 71st street, bounded by the East River and 3rd Avenue. The other part on the sheet shows the historical Herring Farm in the Greenwich Village.

### Detailed Condition:

Banknote paper. Light edge wear.
