### Description:

Dutch edition of Sanson's map of Peru and the Amazon region, showing the extensive rivers and tributaries which extend to the Andies, along with the rich details of the mountainous regions of Peru, then the most affluent of all of the Early Spanish territories in South America.

Many major cities appear, as do rivers, lakes, mountains, islands and other details. One of the earliest obtainable regional maps of this area.

From a Dutch edition of Sanson's *L'Amerique en Plusieurs Cartes Nouvelles...* the third atlas to focus solely upon America.
