Size: 20 x 15 inches
Price: \$875.00

Description:

Rare early map of France, published by Jodocus Hondius

The map is richly adorned with a huge, strapwork title cartouche, a coat of arms, sailing ships, a sea monster and a beautiful compass rose.

This is the first state with Hondius' imprint and the date "1600" in the cartouche.

This map was only published in 4 editions of Mercator's Atlas, and is thus very rare.
