Map of Nebraska, Dakota, Montana and Wyoming

Stock#: 6140
Map Maker: Williams
Date: 1873
Place: New York
Color: Color
Condition: VG+
Size: 17 x 13 inches
Price: SOLD

Description:

Scarce regional map, colored by counties and showing towns, mountains, rivers, railroads, etc. This map was originally engraved in the late 1850s as part of a wall map by Rogers & Johnston, and represents a unique and long running collaboration between American and British cartographic publishers. One of the few maps to show Wyoming with only 5 counties. Extensive Indian notes, forts, early roads, etc. An excellent early regional map.
