Stock#: 6148
Map Maker: Mortier
Date: 1698
Place: Amsterdam
Color: Outline Color
Condition: VG-
Size: 25 x 20 inches

Description:

An attractive example of Mortier's map of the World, Shirley 581. Superbly decorated, elegantly engraved and full of cartographic intrigue, including an incomplete NW coast of America, incomplete Australia and New Zealand, misdirected tip of South America and remnants of the unknown Southern Continent. Normally a \$3500-4000 map, this example has added margins and some loss within the neatlines, in the blank ocean, which have been expertly repaired. A visually attractive example at a substantially reduced price.
