Description:

Rare Hungarian language map of America, published in Pest, published circa 1800.

The map shows Georgia extending to the Mississippi River and Louisiana prior to the Louisiana Purchase, helping to establish a date.

The Northwest Coast of America suggests dating in the 1790s.

A number of the Hudson Bay Company Factories and Trading Houses are shown in Canada.

The map appears similar to Tardieu's map of America from the late 18th Century.
