### Description:

Striking full color example of Wagenhaer's map the French Bretagne Coastline, showing the western most part of Bretagne, centered on the area around Brest and Crozon.

Waghenauer was a Dutch pilot who produced the first set of effective navigational charts, under the title *Spiegel der Zeevaerdt*.

These gorgeous charts, engraved by Baptist and Jan van Doetecum, embody the latest contemporary knowledge of navigation and position finding and set the standard which was followed for more than a century. Waghenauer's charts are magnificent works of art, which are highly sought after by collectors.
