Description:

Attractive pictorial map of Cape Cod drawn by Kenneth E. Morang and issued by the Cape Cod Chamber of Commerce.

The map details points of interest in Cape Cod and includes many historical notes, including a point off of Eastham where a German submarine fired a shot inland, "the only shot to land on American soil in the World War."

The seas are filled with ships, and a sacred cod, complete with halo. The key lists roads by types, including those "particularly recommended for quaintness and charm."

The sides are filled with tourist related information.
