**Size:** 9.5 x 7.5 inches  
**Price:** SOLD

### Description:

Nice example Bradford's map of the United States, covering the United States from Coast to Coast on the eve of the Independence of Texas.

The map shows a massive Oregon Territory, along with a number of Indian Districts (Huron, Sioux, Mandan, Osage and Ozark).

The massive mythical rivers of the west are shown, traversing Upper California, without regard to the several mountain ranges which would later appear in these regions.
