**Description:**

***Chart of the Caribbean Used By French Navigator***

Nice example of the general Depot de la Marine sea chart of the Caribbean and coast of Venezuela, published in 1843.

The chart extends from Jamaica and Santa Domingo to the Lesser Antilles, with Puerto Rico, the Virgin Islands, and French and Dutch eastern islands charted in fine detail.

The chart includes annotations from an early use, likely in about 1866.

**Detailed Condition:**

Minor soiling at centerfold. Pencil notes from early use.
