Description:

An Early American Map of Virginia & Maryland - Includes White, Free Black & Slave Population Table

Second edition of Samuel Augustus Mitchell's separately published map of Virginia and Maryland (with a large inset of Washington DC).

The map is hand colored by counties and names early towns, roads, mountains, rivers, etc. Includes a large early inset map of Washington DC.

At the top left are 3 tables organized by counties, providing a breakdown of "Whites, Free Black & Slave" populations for Virginia, Maryland and the District of Columbia (by city).

One of the first large format maps of Virginia and Maryland to appear in an American Atlas--this example appearing in a rare pocket edition of Mitchell's atlas.

Detailed Condition:

Folds into original slip case. Minor offsetting, soiling and fold breaks, but generally a nice example.
