Description:

With a Large Image of a Volcanic Eruption at Mt. Aetna

Finely detailed map of island of Sicily, with a large inset of Malta, published by Guillaume De L'Isle in Paris.

The map extends to include the Aeolian Islands, which are here called the Lipari Islands. It is filled with a wealth of interesting detail including roads, forests, fortresses, churches, abbeys, ancient ruins, aqueducts, and towns.

The most prominent feature of the map is the large active volcano, Mt. Etna. The inset at lower left focuses on the islands of Malta and Gozo. The inset has its own scale and significant buildings and fortifications are listed.
