Description:

Scarce early lithographic plan of the the area around Cadiz, lithographed by Godefroy Engelmann, one of the earliest lithographers working in France.

This is one of the earliest maps lithographed in France.

The map illustrates the Battle of Trocadero, on August 31, 1823, the only significant battle in the French invasion of Spain in support of King Ferdinand VII. French forces defeated the Spanish liberal forces and restored the absolute rule of Ferdinand.
