### Description:

Detailed map of the Northern portion of the Midway and McKittrick Oil Fields, in Kern County.

The map includes the town of Mckittrick and a number of pipelines, including pipelines operated by:

- Standard Oil
- Independent Producers
- Associated Oil Co.

The map also includes the location of dozens of oil and gas leases interests in the region.

### Rarity

The map is quite rare. We locate only an 1927 edition in the Huntington Library.
