## Texas

**Stock#:** 65487  
**Map Maker:** McNally  
**Date:** 1851 circa  
**Place:** New York  
**Color:** Color  
**Condition:** VG  
**Size:** 11 x 8.5 inches  
**Price:** SOLD

### Description:

Detailed map of Texas, published in McNally's School Geography.

Dallas is shown on the map. The configuration of counties suggests the map was published prior to the creation of Cameron County, in 1852.

Most of the western counties are still not formed.

### Detailed Condition:

Minor toning
