Description:

Includes The Republic of Texas

Detailed map of the United States, showing Texas as a Republic, Upper California as part of Mexico, from Meyer's *Hand Atlas*.

A highly detailed and unique map, which includes large western Territories including Ozark Distrikt, Osages Distrikt, Sioux Distrikt, Huron Distrikt, Mandan Distrikt and Oregon Disrikt.

While many of the maps in this atlas are based upon the work of Tanner and SA Mitchell, this map is clearly a unique product and lacks the Paris and Philadelphia references present on many other maps from this atlas. A scarce and desirable map.

Detailed Condition:
Minor soiling in right margin, just touching printed image.
