Description:

Decorative map of Southern Italy, based upon Blaeu's map of the Kingdom of Naples, which was in turn based on a 1620 map by Geovanni Antonio Magini.

At the time, Naples was a part of the Spanish dominion of the Habsburg Empire in Europe, as indicated by the Spanish arms at upper right.

The map is embellished with provincial coats of arms at each side and further embellished with sailing ships, a compass rose, and the title cartouche, which includes mermaids and incorporates the royal herald.
