[World Atlas]

The internal evidence suggests the atlas was issued between 1688 and 1689. The map of America matches the state issued circa 1688 ,but before circa 1690. Most of the maps include De Wit's privilege, which was granted in about 1689.

The map of the Kingdom of Hungary, etc. is rare on the market.

Detailed Condition:

18 double page and folding maps in original color. 17th century vellum binding with gilt blindstamp.
