### Description:

Gorgeous separate map of Newfoundland and Cape Breton Island, along with neighboring Islands, including St. Pierre Michelon.

Antonio Zatta was a leading European cartographer and publisher, and his *Atlante Novissimo* was one of the most beautifully produced of all eighteenth-century atlases, with much space devoted to the new discoveries of Captain Cook. Along with his contemporary Giovanni Battista Pasquali, Zatta was responsible for the revival of taste in Venetian fine printing. Famous for his sardonic tone and as something of a controversialist, he was also well known for producing lavish editions of Italian classics and raccolte (collections of poems for special occasions).

### Detailed Condition:
