Description:

Attractive vintage allegorical map of love, by the famed French mapmaker Lucien Boucher.

This is a scarce Boucher map full of humor and sarcastic commentary. In one section, Boucher has marriage ("Mairie") leading to the Route of Habit ("Route de l'habitude") leading to the Lake of Indifference with the couple fishing from separate boats ("Lac D'Indifference").

The map differentiates between viewpoints ("Points de Vue") and areas of danger ("Dangereux"). The dangerous spots show two men surreptitiously watching nude bathers in a river.
