### Description:

Nice example of Carey's map of Pennsylvania, one of the best large format maps of the state to appear in a Commercial Atlas.

The map is attractively hand colored by counties, showing towns, roads, mountains, rivers, lakes, and a host of other early important details.

Carey's *General Atlas* published in 1814 was the first American Atlas to be offered for sale with hand coloring on the maps.

### Detailed Condition:

Toning at centerfold and some minor soiling.
