Description:

Scarce map of the Florida, the Gulf Coast, Texas, Central America and the Caribbean. The map shows the outline of the Gulf Coast based upon the most recent surveys of the Dirreccion Hydrographica (Spain) and Depot de la Marine (France). A number of settlements are shown in Texas, including san Antonio, Guardia, la Trinidad, Camp d'Axiles (abandoned French Utopian Colony) and others. Nice detail in Florida and outstanding detail throughout Central America. Minor foxing at the fold, but otherwise nice example.
