Description:

Detailed antique map of Colorado. Shows the major cities, railway lines, rivers, and topographic features. The Union Pacific Railway is noted. Counties, and subdivisions of counties area shown. Includes ample detail.

This appears to be a later version of Cram's 1887 map in which the Baroque cartouche has been removed. The date is constrained to between 1896 and 1912 as Utah has gained statehood, while New Mexico is still marked as an Indian territory.
