**[Early Photographic Facsimile of the 1529 Verrazano World Map]**

**Stock#:** 67280  
**Map Maker:** Verrazano  
**Date:** 1529  
**Place:** n.p.  
**Color:** Uncolored  
**Condition:** VG+  
**Size:** 42 x 22 inches

**Price:** SOLD

**Description:**

Excellent facsimile of this important world map recording the voyage of Giovanni de Verrazzano in 1524.

The map includes a depiction of the mythical Sea of Verrazzano stretching from the Pacific to the East Coast of North America.

The map is currently in the Vatican Library. It was previously in the Museo Borgia of the Propaganda Fide.
