### Description:

Fine large British sea chart of the Coast of California, improved to 1897, with small corrections to 1925.

The chart tracks the coast of California, showing over over 30 light houses and lights, meticulous soundings and sailing directions. Early rail roads are also shown, as is some topographical detail along the coast.

Two profile views are shown, including San Francisco Bay / Alcatraz and South Farallon.

The chart includes numerous inset maps, including:
