Price:	SOLD

Description:

Detailed map of Maryland, Delaware, the Chesapeake Bay and parts of New Jersey and Pennsylvania. Engraved by Thomas Kitchin.

The map shows towns, counties, roads, rivers, bays, and a host of other details. The map accompanied the August 1757 edition of the *London Magazine*, which contained several interesting Colonial American articles, including an Account of the Six Nations of Indians and a Dreadful Fire in Carolina And Terrible Hurricane.

The map is drawn from John Mitchell's seminal map of the British Colonies in North America and is on nearly the same scale.
