Jeddah was an important diplomatic city when the map was made; illustrated are the consulates of Britain, Russia, Austria, the Netherlands, Egypt, and France.

Numerous minarets of the old city are shown. The old city walls and the gates of mecca, Cherif, and Medina are labeled.

The Ummina Howwa (Eve's Tomb) is shown.

At the beginning of the 20th century, Jeddah was an important Red Sea port, but with many islands and much shoaling in the approaches, it was a dangerous one.
